# Rules of Amped Up

- Bands must submit a list of the songs they intend to perform prior to the competition.

- Use of pre-recorded tracks or auto-tuning is not allowed; all music must be performed live.

- Bands are responsible for their own setup and soundcheck before the competition.

- No offensive or inappropriate content is allowed in lyrics or performance.

- Any technical issues during the performance will not result in extra time.

- On stage time for bands: Maximum 20 minutes will be given to each team which includes the setup, sound check and actual performance. It is at the band's discretion whether they want to play original songs, covers or combination of the two.

- Final decision regarding any matter lies in the hands of the organizers and judges and is binding.

- ❖ Judging Criteria:
- Skill in playing instruments
- Vocal ability and harmony
- Stage presence
- Adherence to Time limits
